The mailbox that is beautiful and practical at the same time

Bobi - a family of mailboxes designed to look great in all home applications. All engineered to hold a good capacity of mail with a secure lock for peace of mind.

With USPS Approval you can choose the Bobi Mailbox that fits your particular needs with confidence.

USPS approved

BOBI mailboxes (except Bobi Jumbo) are approved for limited service curbside delivery allowing for USPS delivery of incoming mail only by the United States Postal Service. USPS-STD-7B.

US Design Patent

US Design Patent (US D546,025 S)

Durable steel construction

Bobi mailboxes are made of stainless steel or zincplated steel covered with a polyester coating. The steel is 20 Gauge (1 mm) thick with double layers at the corners for superior strength.

Cylinder lock

A cylinder lock secures the access door. 3 keys included. Extra keys; duplicates or replacements available.

More than just Curb Appeal.

The Southern Oaks Home Association in California was the first community in the USA to choose Bobi for all the homes in the association.

By selecting Bobi the community upgraded all 340 homes to a great looking and secure mailbox that met all USPS Approvals for curbside delivery as well as all ADA sidewalk requirements.

Call our office today and see how a Bobi can make a difference for the homeowners in your Home Association.

Keep in mind USPS regulations

Post Office requirements for installation of Bobi mailbox for homeowners with curbside delivery.

Mailbox must be placed on the righthand side of the road in the direction of travel of the carrier.

The mailbox must be placed to conform state laws and highway regulations, and must be accessible to the carriers without leaving their vehicles.

Contact your local post office before installing the mailbox to ensure its correct placement and height at the street.
