PRODUCTS COMPANY, INC.

History

For almost 45 years, Special Lite Products Company, Inc. has been a leader in the design, manufacturing, and importing of Cast Aluminum Outdoor Lighting Fixtures. However, as our industry has changed, so has our product diversity, as we now offer matching Mailboxes, Posts, Address Plaques, Commercial Lighting Products and various Accessories, as well.

As we strive to maintain our leadership, we are proud to introduce to you, our valued customer, the next chapter in our product evolution. Not only will you find the proven best sellers that you are accustomed to using on various projects, but an array of "new decorative looks" that are sure to grab your undivided attention. In addition, our Commercial Lighting offerings have also been expanded, with Architects, Engineers, and Certified Lighting Designers in the forefront of our minds.

Our in-house product designers work diligently with the goal of offering you the most innovative and long lasting product, at an excellent value. Your complete satisfaction from the inception of your order, until the product is installed and operating properly, is our ultimate concern. Our customer service staff has the dedication and education to make this a reality.

All of us at Special Lite Product Company, Inc. appreciate the trust you've had in our company, our product, and in our service, since 1967. We look forward to writing the next chapter in our history together with you.

Sincerely,
Special Lite Products Co., Inc.

Abington Series

The Abington Series incorporates several different concepts to create an individual style. Each fixture has an Alabaster-like glass lid, leaded stained glass panels, and sculptured cast aluminum arms and cage. These fixtures emit a warm and attractive glow that provides ample light for any entrance, porch or deck.

Rose Garden 2-in-1 Twist Lock Tri-Light (medium size only)

This striking Tri-Light holds a hidden feature unavailable anywhere else; our patented Twist Lock assembly system. All the components are supplied in one carton to make either of the Tri-Lights pictured on this page. Either one can be assembled with no additional tools, just a quick twist of the wrist is all it takes to connect the cages to the arms and attach the finials. Mount the post and then choose which assembly will best suit your location without having to buy two different lights.

This delicately sculptured, hand crafted Tri-light will impart a distinctive character to your home.

The Rose Garden, with its decorative cast aluminum overlay partially covering the glass lid, radiates a soft, welcoming glow. It will add the beauty of the rose, a symbol of elegance and romance for centuries, to the entrance of your home or garden.

Anchor bolts and a mounting template are included.

Curbside Mailboxes and Accessories

Our mailboxes have quality you can see.

Our elegantly crafted cast aluminum residential mailboxes blend style, function, and durability. Rust free aluminum and a powder coated finish guarantee that these pieces will keep their beauty through years of use. They are available in all Special Lite finishes.

Our Curbside Mailboxes are offered with or without a paper tube. Coordinating accessories such as the Floral Standard post, Direct Burial Posts, Surface Mount Posts, Floral Bracket, and Address Plaques offer a variety of ways to mount these graceful pieces.

Floral Curbside

The traditional mailbox shape gets a fanciful upgrade with our Floral Curbside Mailbox. Deeply embossed leaf designs on all sides gives the Floral Curbside a charming appearance suitable for either a country or suburban home.

Locking Insert

Protect Yourself from the fastest growing crime in America: Identity Theft

**LB-998: Fits SCF-1003, SCB-1005,
SCB-1015 and SCC-1008
Curbside Mailboxes**

Last year, nearly 10 million people fell victim to Identity Theft. The FTC estimates it took each of them 14-16 months and over \$800 to clear their names.

Protect your credit card, bank account, and Social Security numbers from being stolen out of your mailbox with a Locking Mailbox Insert.

Manufactured from rust free powder coated aluminum, the Lock Box firmly attaches to the bottom of the mailbox and cannot be removed without the key.

The Lock Box Insert is easily installed with four screws (included). Consult your local postmaster regarding regulations governing the installation of locking inserts

**LB-997: Fits STB-1007 Town
Square Mailbox**

Parcels up to the size of a VHS tape can pass through the slot into the safety of the Lock Box, while magazines and catalogs rest on the top of the Lock Box.

An angled tab inside the slot prohibits anyone from reaching in and removing the mail.

H.I.D. Lighting *(High Intensity Discharge Lighting)*

High Intensity Discharge Lighting or HID offers the advantages over incandescent lighting of increased energy efficiency, longer bulb life, and brighter light. We offer two optional HID light sources.

MH-50 Metal Halide

- Produces a pure white light
- Enormous amount of light with excellent color rendering
- Bulbs last six times longer than incandescent

HPS-35 / HPS-50 / HPS-150 High Pressure Sodium

- Produces a golden-pink cast
- Most efficient light source commercially available
- Bulbs rated up to 24,000 hours

Item #	Wattage	Light Output (lumens)	Lamp Life (hours)
MH-50	50	1,900	24,000
HPS-35	35	2,050	16,000
HPS-50	50	3,600	24,000
HPS-150	150	5,000	24,000

HID lighting is available on all single post mounted lanterns or as a separate kit to retrofit an existing light.

The Kit contains:

Canister Ballast

Mounting Bracket (for most lights)

Heavy Duty socket-medium base bulb

Bulbs sold separately

With a post lamp:

Specify type of ballast using corresponding products number, then the fixture number, finish, and glass choice.

Example: MH50-F-2730-BLK-BV

Not for use with Tri-Lights or Combination Twin Lights.

Commercial H.I.D. Lighting

Coordinated decorative street lighting will improve vehicular safety, while enhancing the visual image of the community. Special landscape areas and signage locations should be lit, as well as locations with unique features. Whether you are a builder creating a master planned community or an architect developing a new lifestyle center, We offer the value you've been looking for. Our High Intensity Discharge (H.I.D.) outdoor fixtures are rust free and maintenance free and help increase property values and bring a decorative, uniform appearance to both old and new communities.

Dark sky Reflector

This product meets both old and new IES criteria for Uplight minimization. The amount of "Cut Off" you require can be achieved through the proper positioning of this component. With three standard mounting heights and unlimited possibilities, you can achieve maximum usable light while still allowing only a minimal amount of Uplight. Use with most Traditional Streetlamps, Globes & Acorns (for neck size 8" or larger, 7" min opening.)

- High Downlight Efficiency
- Low Uplight Levels
- Ideal For Retrofits
- Easy To Install, Self Collapsing Design

- Easy Access for Lamp Replacement
- Made of High Heat Resin
- Self Positioning & Leveling
- Adjustable Light Output Levels
